Long ago, long ago.
There was a princess long ago,
Long ago.

And she lived in a tall white castle,
Tall white castle, tall white castle,
And she lived in a tall white castle,
Tall white castle.

One day a bad queen cast a spell,
Cast a spell, cast a spell,
One day a bad queen cast a spell,
Cast a spell.

The princess slept for a hundred years,
A hundred years, a hundred years,
The princess slept for a hundred years,
A hundred yers.

A big green forest grew around,
Grew around, grew around,
A big green forest grew around,
Grew around.

A handsome prince came riding by,
Riding by, riding by,
A handsome prince came riding by,
Riding by.

He cut the trees down with his sword,
With his sword, with his sword,
He cut the trees down with his sword,
With his sword.
He kissed her hand to wake her up,
Wake her up, wake her up,
He kissed her hand to wake her up,
Wake her up.

So everybody's happy now,
Happy now, happy now,
So everybody's happy now,
